**We're happy
to serve
you.**

OUR JAN/FEB STORE HOURS ... Mon / Wed / Fri (8 am - 6 pm) No Weekends

There's nothing like a Michigan winter. Still **time to stock up** and squirrel away those things we'll need whenever the snow is piling up and we don't want to leave our cozy homes.

Here on the farm, we intensely manage our pasture-raised **BEEF** and **PORK**. TODAY is the BEST day for you to let us know that you are interested in our **POST HARVEST QUANTITY DISCOUNTS: Receive 5% off your \$1000.00 meat purchase; 10% off \$1500.00; or 15% off \$2000.00.**

Contact us ***via phone or email*** for this info. ***See*** your choices and make your selections based on *what cuts you want and most enjoy!*

At the farm you are welcome to shop our display rooms. Be sure to see our 3-door glass freezer with our meats. Turtlebee is still accepting deposits for those wanting to stock their own freezers with **sides & quarters of BEEF or PORK**. You may not know this but we can also work with you on custom bundles with significant discounts. **LAMB by the package available soon!**

At the farmhouse, you will find beekeeping supplies, groceries, & natural skin care products (a variety of antibacterial soaps), all available for purchase. We have our **pasture-raised pork, chicken & grass fed beef**. Our son's **maple syrup**, our signature **honey**, and freshly laid **eggs** are in good supply. **Orders are our first priority. To avoid disappointment, place your order today.**

We still believe that breathing fresh air, eating nutritious food, and getting plenty of sunshine & exercise helps to build a strong immune system. ***Enjoy a hike over to see us!***
