NO KIDDING!!

All hives come standard with
a 3 lb package of bees.
Hive Kits are fully customizable
by prorating items in & out
as desired. Even the standard
3 lb package of bees can be
prorated to the appropriate
size nucleus, minimizing *your* risk.
You can reserve your hive with a
minimum of
50% deposit.
New offering this year:
Unfinished & Stained Hives!!!

Did you know Turtlebee Farms
offers a Layaway Program for your
honey bee purchases???

People can **reserve/secure their bees** for the
date & quantity they would like.

The **deposit required is \$10/item** and is non-refundable
and non-transferable to any other product if they decide to
cancel their bee order.

When making full payment on their order, it is \$10 already
paid toward the final cost of the bees.

The big users of this program are not sure if their bees will
make it or not, so this becomes an inexpensive insurance
policy. They are reserving bees, since they are *almost sure*
they will want them as **replacements or to expand to an**
additional hive when their other bees do just fine.

However, it would not "break the bank" if they decided
they did not want them after all, and canceled their order.

In this case, the \$10 would go to our administrative cost.

In all fairness to Turtlebee Farms, the balance needs to be
paid completely by April 1st. This way if one does cancel,
Turtlebee Farms is still able to provide bees for someone
else. **People will usually know by April 1st if their bees**
made it or not.
