

TURTLEBEE FARMS' LAYAWAY PROGRAM

\$10 Deposit Secures/Reserves your 2019 Bees

Did you know Turtlebee Farms offers a Layaway Program for your honey bee purchases??? People can *reserve/secure their bees* for the date & quantity they would like.

The **deposit required is \$10/item** and is non-refundable and non-transferable to any other product if they decide to cancel their bee order. When making full payment on their order, it is \$10 already paid toward the final cost of the bees.

The big users of this program are not sure if their bees will make it or not, so this becomes an inexpensive insurance policy. They are reserving bees, since they are *almost sure* they will want them as **replacements or to expand to an additional hive** when their other bees do just fine.

However, it would not “break the bank” if they decided they did not want them after all, and canceled their order. In this case, the \$10 would go to our administrative cost.

In all fairness to Turtlebee Farms, the balance needs to be **paid completely by April 1st**. This way if one does cancel, Turtlebee Farms is still able to provide bees for someone else. **People will usually know by April 1st if their bees made it or not.**
